

PEOPLEPLACE  
COOPERATIVE PRESCHOOL

## 2023 - 2024 COOPERATIVE COMMITMENT FORM

Peopleplace is a cooperative school in which all parents are actively involved. It is a requirement that you find a way to participate in the cooperative. There is some flexibility with this depending on your availability, but there are some definite expectations as well. There are many avenues in which you can contribute your time, talents, skills, energy, and ideas. Please sign and return this form upon enrollment.

Parent(s) Name(s) \_\_\_\_\_

Child(ren) Name(s) \_\_\_\_\_

It is expected that every family will participate in the following ways:

- Assist with all fundraising events
- Participate in at least one of three All-School Workdays
- Attend scheduled All-School meetings
- Sign up for classroom laundry
- Serve as parent helper and provide snack for your child's class once a month:  
This involves preparing and cleaning up after a simple wholesome snack for the class followed by interacting with the students (ie: reading a book, outside play). We understand that this time requirement can be challenging but having parents in the classroom is an integral part of our school and teaching philosophy. We encourage communication with teachers/director to find a schedule that works for all.
- Sign up for a least one Parent Role per family (a list will come out in September)

If you have any specialized talents, skills or passions that you could share with our school community we want to utilize them! Examples: a plow-truck, a love of teaching music, grant writing, public relations/marketing, web design:
