2023 - 2024 "BEYOND THE FENCE" PERMISSION SLIP

CHILD'S NAME: _____

This permission form gives any Peopleplace teacher permission to take your child to our "Beyond the Fence" area which is outside of the playground space across the parking lot to our woods. This area provides a unique experience in a natural environment. Children participate in supervised learning and play opportunities including a zipline, climbing on Cedarworks playsets and exploring our woods. A daily tick check will be necessary after spending time in the woods. It is important to note that there is **no fence**.

I understand that I am responsible for making sure my child is equipped with the proper gear and clothing that will protect him/her from the elements (see gear list). I understand that my child will be invited to go "beyond the fence" as long as they can show good listening and following directions skills. This will be determined by the Peopleplace teaching staff. Safety for all is our number one priority.

BEYOND THE FENCE PERMISSION

I GIVE PERMISSION FOR MY CHILD TO GO "BEYOND THE FENCE" UNDER THE SUPERVISION OF PEOPLEPLACE STAFF.
